Hi,

The map is showing the Daycares, Private/Public Schools, and the 2 and 5 mile buffers.

There are no hospitals or nursing homes within 5 miles or within the extent of this map.

The 2 closest schools to the northwest, right outside of the 2 mile buffer line, are both correctional centers but are included in the HSIP Schools database, so we measured to the 3rd closest school as well, which is actually a school. Measurements are below.

Closest School (2.27 Miles)

3rd Closest School (3.64 Miles)

Daycare (3.91 Miles)

Hospital (7.32 Miles)

Nursing Home (7.24 Miles)

Let us know if you'd like any changes on the map or anything else.
